

WIC (Women, Infant & Children)

Dear Mother-to-be;

Breastfeeding is a skill you can start learning about before your baby is born. Breastfeeding is important because breastmilk has many elements that protect your baby against infection. It goes more smoothly if you get off to a good start. Knowing where to get help is important. Listed below are some local programs that may be helpful to you.

Resources for Breastfeeding, Childbirth and More!

1) WIC (Women, Infant and Children) in Collier County

Having trouble getting your baby to latch? Wondering if your baby is getting enough breast milk? These are just a couple of the questions the WIC breastfeeding team can help you with. They are just a phone call or visit away and will help you whenever you have a problem or concern. WIC offers classes to expectant mothers to learn more about breastfeeding, its benefits, and common challenges. Classes are free and open to the public. ***Our Lactation Consultant and Peer Counselors are here to help you and your baby have a successful breastfeeding experience.*** Just call or visit us at one of our locations:

License to Breastfeed in Public. It’s the Law in FLORIDA!

“Be it. Enacted by the Legislature of the State of Florida:

Section 1. The breastfeeding of a baby is an important and basic act of nurture which must be encouraged in the interest of maternal and child health and family values.

A mother may breastfeed her baby in any location, public or private, where the mother is otherwise authorized to be, irrespective of whether or not the nipple of the mother’s breast is covered during or incidental to be breastfeeding.

House bill no. HB 231 Fl.ALS 4; 1993 Fla. Laws ch 4; 1993 Fla. HB 231 Fla. Stat. § 383.015, § 800.02 – 00.04, § 847.001 (later: § 827.071)”

****Remember! Choose a pediatrician that is knowledgeable and encourages exclusive breastfeeding. When interviewing pediatricians, ask if they have a nurse who can help you with breastfeeding.**
