resqme™

When seconds count...

Together we can save more lives.

Perfect For:

Daily Commute • Travel • Road Trips
RVs • Rental Cars • Auto Parts
Fleet • Car Dealers • Petroleum
Lease & Insurance OEM programs

- Motorists all over the world can lose control of their vehicles and plunge into canals, ponds, lakes, or flooding zones.
- Sadly, some cars become submerged causing entrapment and loss of life.
- Other high fatality rates are caused by frequent rollovers, car fires or unexpected electrical failure.
- Be prepared for the unexpected . . .

Over 2 million people drive today with peace of mind behind the wheel
