

peace of mind FOR POOL & SPA OWNERS

**Pool & Spa Safety Checklist
Training for Firefighters
Thursday, October 13th, 2016
1:00 p.m. - 5:00 p.m.
North Collier Fire District
1885 Veterans Park Dr**

The Pool and Spa Safety Educators program includes the tools to train firefighters regarding backyard pool and spa safety so they can educate the public and perform voluntary safety checks of home pool and spa installations, ensuring their communities are as safe as possible regarding water safety. This program will give the fire department tools and actionable data to help make the families in Collier County and SW Florida safer. The training will give the station chiefs the ability to scale the program and sustain the effort for years to come."

Mario Vittone will be conducting this training. Mario is a national wide expert in maritime operations with a focus on safety, security, and rescue.

Please RSVP to Paula DiGrigoli by
Friday, October 7th
